# Welcome

THANK YOU FOR CONSIDERING A PARTNERSHIP  
WITH WELL WITH KELL.

---

Dear Program Director,

Thank you for taking the time to learn more about Well With Kell.

I'm Kelly DeAngelis, COTA/L, and I created Well With Kell with one simple goal:  
to bridge the gap between the classroom and real-world clinical practice.

With more than 11 years of experience in skilled nursing, rehabilitation, leadership,  
and fieldwork education, I've seen firsthand how students benefit from practical,  
real-world guidance, mentorship, and resources that build confidence and  
strengthen clinical reasoning.

Well With Kell exists to complement your curriculum by providing practical  
educational resources, tutoring, workshops, and career readiness support that  
reinforce classroom learning and help students thrive in fieldwork and beyond.

I would be honored to partner with your program and support your students  
throughout their educational journey.

Thank you for all you do to shape the future of our profession.

Warmly,

*Kelly DeAngelis, COTA/L*

FOUNDER, WELL WITH KELL

# About Well With Kell

Well With Kell is an occupational therapy education platform dedicated to supporting students, practitioners, educators, aging professionals, caregivers, and communities through practical learning resources, mentorship, and professional development.

## OUR MISSION

To make occupational therapy education more practical, approachable, and confidence-building by transforming real-world clinical experience into engaging learning resources that support every stage of the professional journey.

## OUR EDUCATIONAL PHILOSOPHY

Learning doesn't stop after graduation. The best growth happens when evidence-based knowledge is combined with real-world experience, critical thinking, mentorship, and encouragement.

Our resources are designed to be practical, relevant, and easy to apply—helping learners confidently transition from the classroom to clinical practice and beyond.

## OUR VALUES

### EDUCATE

We provide practical, evidence-informed education that is easy to understand and apply.

### EMPOWER

We empower students and professionals to feel confident in their skills, decisions, and impact.

### MENTOR

We believe in the power of mentorship and real-world guidance to shape strong, compassionate clinicians.

### SUPPORT

We create a supportive space where learners feel encouraged, valued, and never alone.

### MAKE AN IMPACT

We are committed to making a positive difference in the lives of individuals, families, and communities.

# How We Support Your Program

Well With Kell is committed to complementing your curriculum and supporting your students, faculty, and program goals through:

## STUDENT RESOURCES

Evidence-based tools, study guides, and clinical resources that promote learning, organization, and confidence.

## MENTORSHIP & TUTORING

Personalized support to help students strengthen clinical reasoning, prepare for fieldwork, and succeed on the NBCOT exam.

## FACULTY COLLABORATION

Partnership opportunities, guest speaking, and custom resources created to enhance your program.

## PROFESSIONAL DEVELOPMENT

Continuing education, inservices, and resources for practitioners and fieldwork educators.

## COMMUNITY IMPACT

Initiatives that give back, support access to resources, and empower individuals and communities.

## OUR PROMISE

We bring real-world experience, a passion for teaching, and a commitment to excellence in everything we create.

We are honored to be a resource you can trust.

## LET'S WORK TOGETHER

I would love the opportunity to connect and explore how Well With Kell can support your students and contribute to the success of your program.
